NORTH LAMBTON
SECONDARY SCHOOL
1980-
FOREST ONTARIO

PRINCIPAL

The production of a Yearbook is both a learning experience and an opportunity for students and staff to do something for others.

As with many other services that are provided we have a tendency to take them for granted and give very little thought or credit to the individuals who voluntarily give of their time and efforts to produce something for us.

The same thing is true of most of our organizations and clubs within the school and indeed in many of the voluntary agencies in the community. If we are to continue to be a giver rather than a take society it is imperative that each and everyone of us get involved, if not an active club member at least as a strong moral supporter.

To the Yearbook staff and advisors a hearty thanks for a job well done.

PRESIDENT'S MESSAGE

This yearbook has captured many fond memories of the past school year. Most of these memories are associated with times shared between you and your friends. Without a fine extra-curricular program in the school, the activities which you and your friends enjoy, would not exist. A high school education is very hollow without the enrichment of extra-curricular activities.

Unfortunately these activities will be put into jeopardy if an effort is not made in the future to strengthen the extra-curricular program to what it can once more become. This will require the commitment of students who are willing to accept the responsibilities of leadership and the involvement of the whole student body.

I certainly hope that the students will realize that the Student Affairs Council and the extra-curricular program are much too valuable to lose.

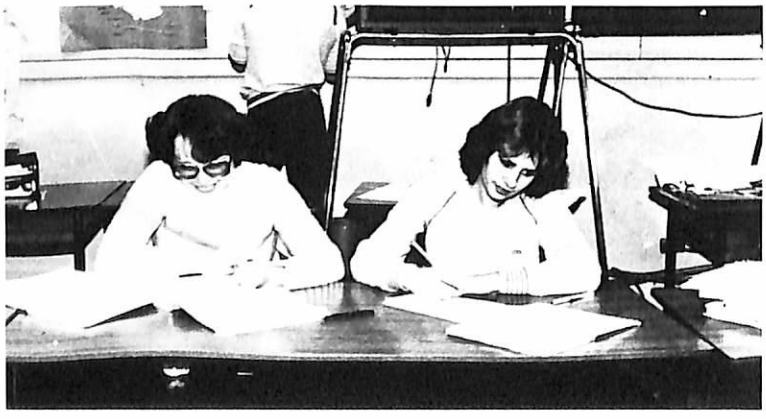

I would like to take this opportunity to thank my executive and staff advisors for their work this year. Thank you also to my friends and teachers over the last five years who have made my years at N.L.S.S. very enjoyable.

Best of Luck in the future,
Ian Christensen.

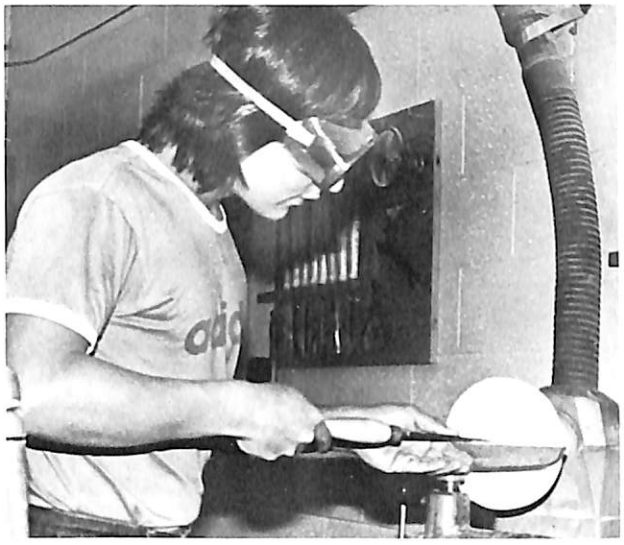

DOLPHINS

FALL

GRADUATION QUEEN 1980

Barb Smith

During her five years at N.L.S.S., Barb has been involved in numerous activities. Among them she was secretary of the Class of '80 and the A.A. and a member of the Hockey Club and the A.A. Barb was also actively engaged with the volleyball and track team for five years.

Congratulations to Barb, and all the best of luck in the future.

. . . AND HER COURT

Nancy Soetemans

As a member of the S.A.C., Class of '80 and many other clubs, Nancy always had a wave for every passing person.

Shelly Meecham

Shelly, in her last year at N.L.S.S. was vice-president of the S.A.C. She has been involved in the Spirit, the Class of '80 and was co-editor of the 1979 yearbook. Shelly is presently attending community college, in business.

Betty Milner

During her four years at N.L.S.S., Betty was involved in various activities, including track and field, A.A., and the Class of '80. Betty's bounce and cheerful smile were well known at N.L.S.S.

Teresa VanHaaren

As secretary of the S.A.C., Teresa never stopped running. She has extended this love of secretarial work, and is now attending Fanshawe.

REACH FOR THE TOP

N.L.S.S.'s **Reach For The Top** team has had a very successful year.

The team, under the coaching of Mr. Harrington, practised for two hours, three nights weekly, and all that drilling really paid off.

They are the only team ever in Lambton County to hold the title of **Flight Champions,** and to compete in the regionals.

Congratulations to the whole team for all their hard work and a job very well done!

R. 1 Randy Clark, Mary Vaessen, Ian Christensen. R. 2 Coach; Mr. Harrington, Mike Kuindersma.

CLASS OF '81

YEAR BOOK

Front: Tracey Cassidy, R.1: Nan Dik, Andy VanLeeuwen, Bev VanRooyen, Colleen Sharen, R.2: Faith Pettigrew, Angie Adamek, Shirley Moesker.

Well, here it is, the end of the school year. This is the time we've all no doubt been looking forward to.

We have donated our best effort toward this yearbook and we hope you enjoy it as much as we have enjoyed working on it.

We hope you will treasure this collection of memories from N.L.S.S. and keep them in your heart forever. Thank-you students for making this yearbook and our opportunity as editors possible.

We wish to extend special thanks to our staff advisor Mr. Waugh and our yearbook representative Jeff Hodge.

Yours truly,

Tracey Cassidy and
Angie Adamek

REACH FOR THE TOP!

The 1980-'81 Reach For The Top Team was the most successful in the history of its existence in North Lambton.

The win-loss record was an impressive 5-1. They defeated Urseline College 320-165, Belle River 345-120 and Riverside 340-235 for the flight championship. In the semi-finals against Assumption College the score was 360-275 in North Lambton's favour. In the regional finals, the team beat the former champions, Centennial 340-225. This qualified them to compete at the Provincials held in London. There the team was beaten by University of Toronto Schools 485-250.

From this year's competition the team has won a World Book Science Year Book, a two volume dictionary and a whole set of World Year encyclopedia as well as several individual awards, trophies, lapel pins, two large trophies and two Guiduos.

In a more recent intra-county competition, the team swept the tournament, beating Northern in the finals 510-470. Randy Clark, team captain, also led a county all-star team against a Windsor all-star team to victory 390-430.

Team members are: Randy Clark (team captain), Ian Christenson, Mike Kuindersman, Randy Metcalfe who played the first two games and Mary Vaessen a substitute in the last four games. Their coach, staff advisor, disciplinarian and fostor parent, Roger Harrington deserves special recognition for all the work, time and dedication he gave to this championship effort. Thanks Roj!

SPECIAL THANKS TO ALL YEAR 3 MARKETING STUDENTS

Advertising is the backbone of any yearbook, and without a certain group of hardworking, enthusiastic students and their teacher, our 1981 Yearbook would have never been a success.

I am talking about Mr. Boom's year 3 marketing class who spent hours on end canvassing all surrounding areas, getting the support of sponsors and advertisers for our school's book.

As a result, we hope to bring you in the years to come bigger and better yearbooks in which you will enjoy for a lifetime.

Extra special thanks to each and every one of you!!

CATHY CAUSSINES

EXCHANGE STUDENT 1980-'81

Cathy Caussines, better known as Catty French, was our French Exchange Student for '80-'81. Full of spirit and always in with the crowd, you could always tell it was Cathy, by that familiar high pitched "yeh?" response to everything.

Cathy did exceptionally well with the curricular part of her stay, along with pitching in with grad class and student council.

'80-'81 wouldn't have been half as good without her. We all love you Cath, and we hope you had only good times this past year.

Best of Love and Luck to you —
Carol Vansteenkiste

North Lambton Students Are Right in Style

The merchants of Forest provided the new styles for the 'look of summer 1981' . . . the styles range from sportswear for the active teen, casual looks for the fashion conscious male and female, and formal for those special evenings out on the town.

The clothes were modelled by our own NLSS Students. Credit should be given to Mr. Boom, the marketing students and the art department.

TRACK AND FIELD

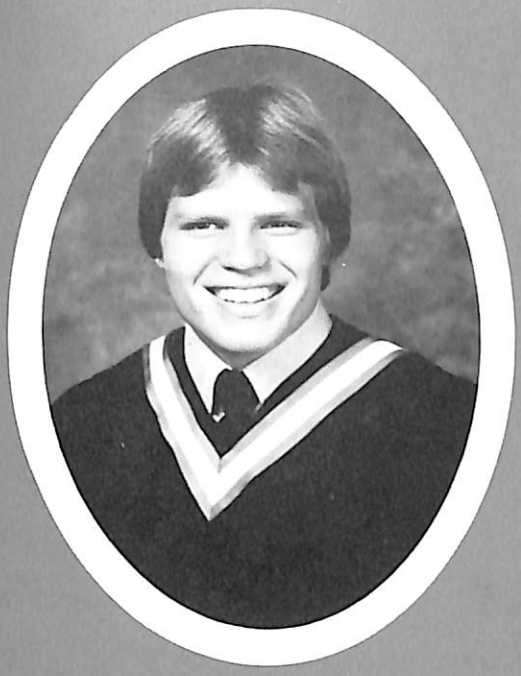

A number of students from N.L.S.S. were very successful in track and field events this year. Those people who were able to compete at W.O.S.S.A. were Bonnie Armstrong, Gary Hamilton, Vicki King, Andrea Redmond, Sue Smith, Wendy Smith and Pat Tesselar.

Special recognition should be given to Vicki King and Sue Smith, who both made it to the Regionals and then on to O.F.S.A.A. (Provincial Championships). Vicki's throw of 30.46m (3rd in the midget girls discus) made her eligible to compete in Thunder Bay, as did Sue's throw of 11.44m (1st place) in the senior girls shot put and 34.60m (3rd place) in discus.

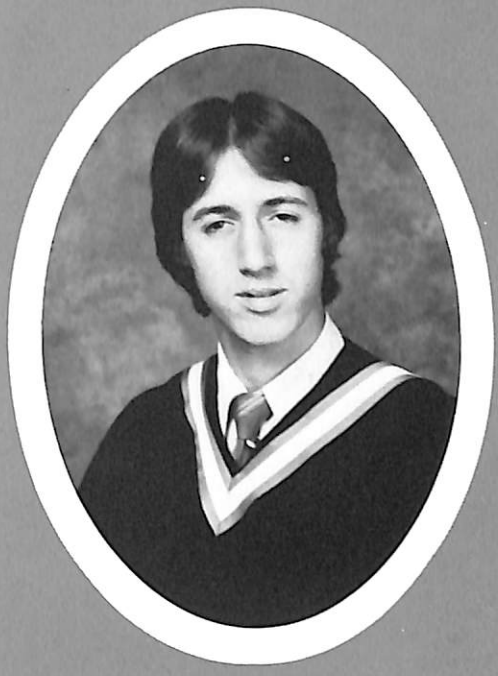

Congratulations to both girls for a job well done!

Best wishes from the students of one institution of learning

to the students and graduates of another.

Lord, make me an instrument of peace!

Where there is hatred . . . let me sow love.

Where there is injury . . . pardon.

Where there is doubt . . . faith

Where there is despair . . . hope

Where there is darkness . . . light

Where there is sadness . . . joy

O Divine Master, grant that

I may not so much seek

To be consoled . . . as to console:

To be understood . . . as to understand:

To be loved . . . as to love.

For it is in giving . . . that we receive.

It is in pardoning . . . that we are pardoned.

It is in dying . . . that we are born to eternal life.

— St. Francis

BEST WISHES, GRADUATES!

Dow Chemical of Canada, Limited extends best wishes to this year's graduating students. You now face one of the most important decisions in your life: whether to seek a job now or continue your education. Whatever your decision, we wish you every success.

One of the key reasons for our success and impressive growth in Sarnia has been the excellent calibre of people who have graduated from Lambton County secondary schools and joined Dow Chemical. Some started work directly from high school, while others enrolled in university or college and returned to Sarnia upon graduation. Their contribution has made Dow's Sarnia Division Canada's largest petrochemical plant site, employing more than 1400 men and women.

For your information, here is our *minimum* educational requirement. You must have an Ontario grade 12 diploma (or equivalent) which must include grade 12 math, English and chemistry and either grade 11 physics or biology subjects. Successful candidates — upon completion of a medical — will enter the Division's utility pool and work at various projects until an opening becomes available in one of the 20 manufacturing plants or service groups.

If you continue your education, Dow looks for graduates in the following disciplines: chemical, mechanical and electrical engineering; chemists; electronic instrumentation technologists; computer systems programers; data processing technicians; and accountants.

Again, we salute all graduating students. Best wishes in your chosen career.

WHAT IS A CREDIT UNION

A Credit Union is a group of people with a common bond, who save their money together, and from the pool of savings make low-cost loans to one another. A Credit Union is in essence a financial co-operative holding four basics principles:

1. service rather than profit
2. limited ownership, restricted by bond of association
3. democratic control, one vote per member
4. volunteer service by officers

A Credit Union is:

People working together
Helping themselves,
Their families and
each other . . .
